

Database Overview

For financial and philanthropic institutions, and their clients, finding high-impact public and private investments as well as recoverable grant opportunities can be time consuming and challenging. Now, you can source high quality impact opportunities quickly and efficiently with CapShift's proprietary database.

You can search for market rate and impact first opportunities by asset class, level of risk, liquidity, and expected rate of return. You can also search for investments and recoverable grants by impact theme, geography, or term lengths.

PUBLIC INVESTMENTS

Sustainable, responsible, or ESG investments

Examples:
mutual funds, ETFs, hedge funds

PRIVATE INVESTMENTS

Market rate impact investing

Examples:
private equity, private credit, real assets

NONPROFIT AND BELOW MARKET RATE INVESTMENTS

Impact first or catalytic investing

Examples:
CDFIs, Social impact bonds, Program related investments

Recoverable grants to nonprofit organizations

Sample use cases:
bridge funding, scale programs, fuel catalytic innovation

POPULAR IMPACT THEMES

Environment

Food and agriculture

Clean energy

Access to healthcare

Affordable housing

Microfinance

Poverty alleviation

Water

Circular economy

Education

Social and racial justice

Quality job creation

ACCESS INSTITUTIONAL QUALITY OFFERINGS

CapShift’s expansive database of 1,600+ opportunities is sourced through our bespoke network of foundations, nonprofits, family offices, and investment funds. These partnerships provide us with a rich pipeline of new opportunities – allowing us to update our database regularly to reflect a broad set of available opportunities. For specific opportunities to fulfill a niche role in a portfolio or to address a specific impact theme, we can perform custom sourcing and due diligence services to find just what you’re looking for.

SAMPLE OPPORTUNITIES AVAILABLE INCLUDE:

	Environmental	Social	Economic Development
Liquid			
Funds		De-Carceration Fund	
Nonprofit Investments

ABOUT CAPSHIFT

CapShift is a leading impact investing platform whose mission is to put philanthropic capital to work for communities and the planet. We do this by providing rigorously researched, easy to access, and cost-effective impact investing and recoverable grant opportunities to donor advised fund holders, family offices, and foundations. Visit www.capshift.com to learn more about us and the capital that we have mobilized for purpose to date.

Advisory services are provided by CapShift Advisors LLC, an SEC-registered investment advisor. Investments in securities are not FDIC insured, are not bank guaranteed and may lose value. Investing in securities involves risks, and there is always the potential of losing money when you invest in securities. Before investing, consider your investment objectives and CapShift Advisors LLC’s charges and expenses. CapShift Advisors LLC’s advisory services are designed to assist clients in achieving discrete financial goals. They are not intended to provide financial planning with respect to every aspect of a client’s financial situation, they do not incorporate investments that clients hold elsewhere, and they do not provide tax advice. For more details, see our Form ADV Part 1, Part 2 Brochure, and Part 3 CRS, available at <https://adviserinfo.sec.gov/>.

Past performance does not guarantee future results, and the likelihood of investment outcomes are hypothetical in nature. Nothing on this website constitutes an offer, solicitation of an offer, or advice to buy or sell securities in jurisdictions where CapShift Advisors LLC is not registered.
