

Closed Loop Fund Partners

Closed Loop Leadership Fund

Overview

Buyout private equity fund that invests in growth-stage companies within the circular economy.

Impact Thesis

Support the transition from linear supply chains to circular supply chains.

Impact in Practice

In 2023, Closed Loop Partners acquired a majority stake in Sage Sustainable Electronics to advance the circular economy in IT asset disposition. Sage processes over 600,000 devices annually, with 53% refurbished and reused-cutting landfill waste, material extraction, and emissions. Serving Fortune 100 clients in finance and healthcare, Sage extends IT asset life through secure data destruction and refurbishment. With Closed Loop's support, Sage gains capital, expertise, and a network to scale its impact. "They truly share our commitment to sustainability and reuse," said CEO Bob Houghton.

Key Updates

- Closed Loop Partners (CLP) was named Best Impact Firm of the Year by New Private Markets in 2023, recognizing the firm's decade-long leadership, influence, and measurable impact.
- In 2023, portfolio company Apkudo expanded its circular impact by partnering with Basatne in the Middle East and Likwize in Europe, joining existing partners like FedEx, T-Mobile, and Asurion to help keep over 5,000 tons of electronics in circulation and avoid more than 950,000 metric tons of CO₂e emissions.
- In 2023, CLPs' Center for the Circular Economy launched the largest reusable bag pilot in the U.S., deploying reuse solutions across 150+ stores to drive a nationwide shift away from single-use bags.
